

# MILVERTON TELEGRAPH MAY 2010

## MILVERTON HOUSE PREPARATORY SCHOOL AND NURSERY

### From the Headmasters Desk

This week has been exceptionally busy with the Nuneaton Festival of Arts, Year 6 examinations and the normal expectations of school life, however the children have performed outstandingly. The children have enjoyed a rich start to the summer term and many new opportunities have been made for the children, with new clubs and trips.

We all look forward to a warm and sunny summer term that lasts into the summer holidays, (not like last year please!!)

### Reception and Pre Prep September 2010

Due to increased demand I am pleased to announce that all positions in reception have been taken for September 2010 and only a few are currently available in Pre- Prep. We have been delighted that we have seen an upsurge of parents looking to view the school and envisage most classes to be full in the coming weeks. Parents wishing to join school waiting lists may contact Mrs Padmore in the school office.

### PTA

Many thanks to the PTA who have purchased new sand tables for the rear playground for our Pre-Prep and Infant children to use in the sun.

### Netball

Congratulations to the Year 3 and 4 netball teams who recently played in a festival at Higham Lane school. The children had great fun and learnt lots of new skills through some fine coaching by Higham Lane pupils.

### NSPCC Appeal.

My thanks to all of the teachers and children who have supported Mrs Deborah Sharp and the NSPCC fundraising currently being organised in school. Children have been trying to get sponsored for extra gym activities within the school day. Many thanks to Mr Moore and Mrs Bromage who have been into school helping with activities. The children will be raising money by dancing, running and racing in support of the NSPCC. We look forward to delivering a good donation to the NSPCC later in the term.

### Promising Writers

I attended the presentation for the Nuneaton Festival of Arts last week and was delighted that our young writers had performed so well. In total the school was presented with 40 awards for excellent poetry and short stories. These ranged from children in Year 2 right up to Year 6 pupils. Certificates and awards will be represented in the forthcoming school assemblies. Particular congratulations to Emma Ashby, Barney Dudkowsky, Millie Hainge, Yuvan Aravindan, Robert Gummery, and Harjot Kaur who all recorded first places for their efforts. The school was awarded The Eva Rushton Trophy for contributions to Junior writing. Well done to everyone who participated.

### Mad Science

Two mad scientists have just joined the school!!! Tom and Sarah, both members of the Mad Science group have joined the school this term for a science university every Friday afternoon. Pupils from Year 2-6 are being taught all about space and materials through a series of workshops after school. Anyone wishing to join the club please see Mr Pipe.

### Academic Excellence

I am delighted to announce that all of our Year 6 children who have sat entrance examinations have been offered secondary independent school positions for September. Congratulations to Year 6 and all of the teachers in the school as they have all contributed to the excellence produced at the end of Milverton life. Year 6 will be off to France next week for a well earned break from the examination schedule. Have a great week year 6!

### School Drama

The week started in style with Year 4 winning first place in the Nuneaton Festival of Arts. Many children have taken part in the festival week and I look forward to informing you of our successes.

**Year 6 treat! - Bowling and McDonalds - Friday 14th May**  
**Year 6 trip to France Sunday 16th -Friday 21st May**  
**Year 2 trip to Jewry Wall - Monday 17th May**  
**Year 5 trip to Stratford Upon Avon—Tuesday 25th May**
