

Milverton House Preparatory School and Nursery

From the Headmasters Desk

In the build up to the Christmas break I commend all of the children for their continued concentration.

I was delighted to hear from so many happy parents throughout the parents liaison evenings held at school last week. From the youngest children in our Pre Prep department to our Year 6 pupils you are all a credit to the school.

Milverton children learn to work hard and to play hard and this term have a busy schedule of rehearsals and choral practices in the build up to the festive productions in December. Lots to learn and remember!!

Well done children
