

Milverton House School and Nursery

Policy Funding for 2017-2018

Following the term after your child turns three we are eligible to claim for funding from the government. We can only claim for a maximum of 38 weeks of the academic year for school. This is broken down into three terms - autumn, spring and summer. All children are eligible for 15 hours per week per child, however you may be eligible for up to 30 hours funding.

Please check to see if you meet the following criteria:

You are a two parent family, are both working and each earn the equivalent of 16 hours per week paid at the national living wage

You each earn less than £100,000 per year

OR

You are a single parent, are working and earn the equivalent of 16 hours per week paid at the national living wage

You earn less than £100,000 per year

Do you expect to answer yes to the above for at least the next three months? Parents with fluctuating incomes and those who are about to start work or increase their hours are able to apply.

Please check your eligibility online via www.childcarechoices.gov.uk
